

Siddik Maniar

Chief Marketing Officer at Maniar & Company

Siddik is an MBA graduate in International Business from the UK, serves as the Chief Marketing Officer at Maniar & Company, a pioneer in sewer and drainage cleaning equipment established in 1946. The company has developed innovative solutions like the patent-registered Manhole Desilting Machine, with over 5,000 units supplied across India and globally, along with various other equipment for effective cleaning of underground drainage systems and open drains.

Siddik leads the company's strategic engagement in government e-procurement, ensuring compliance, efficiency, and customer-centric solutions.

Siddik's expertise in marketing and international business drives Maniar & Company's growth, strengthening its reputation as a trusted partner in urban sanitation. The company continues to deliver reliable and cutting-edge equipment for effective sewer cleaning operations.
