

Sujatha Srikumar

Senior Finance Advisor
- USAID WASH FIN 2 Project

Sujatha Srikumar is a seasoned expert in municipal finance and urban infrastructure, with over 30 years of experience in project development, financing, and privatization. She played a pivotal role in developing India's municipal bond credit rating framework, facilitating the first municipal bond issuance by Ahmedabad Municipal Corporation.

As an advisor to the Uttar Pradesh government, she has guided cities like Lucknow and Ghaziabad through the municipal bond issuance process. Currently, as part of the USAID WASH FIN 2 project, she is advising four cities in Tamil Nadu on issuing municipal bonds to fund urban projects.

Sujatha has also contributed significantly to the wastewater sector, working with the World Bank, IFC, and the Ministry of Water Resources on policy development for PPP projects under the Hybrid Annuity Scheme. She has held leadership roles as COO at IL&FS and Director at CRISIL and holds degrees in engineering and business management from IIM Ahmedabad.
