

## Dr. Ashfaq Jafari

Professor of Civil Engineering,  
Technical Advisor, NCPE

Dr. Ashfaq Jafari is a Professor of Civil Engineering with 39 years of experience in water supply systems, wastewater treatment, and groundwater management. He has served as a Technical Advisor to the National Centre for Public Enterprises (NCPE), where he provided expertise in Non-Revenue Water (NRW) assessment, sewerage systems, and urban planning.

Dr. Jafari has played a key role in evaluating Sewage Treatment Plant (STP) technologies, conducting Life Cycle Cost Analysis (LCCA), and designing water resource management solutions.

He holds a Ph.D. in Civil Engineering from Osmania University, Hyderabad, and an M.Tech in Water Resources Engineering. Throughout his career, he has contributed significantly to sustainable urban infrastructure and water management practices
